

WOODGRAIN HDPE SHEET

NATURAL BEAUTY PAIRED WITH UNNATURAL VERSATILITY

Accomplish the things that wood can do and explore the things it can't. Get the HDPE sheet that offers the most authentic, high-end look and texture of wood that will transform any outdoor environment into a beautiful space for a lifetime of enjoyment.

VYCOM®TIMBERLINE captures the eye with embossed woodgrain and unique coloring sheet to sheet, opening up new potential for cabinetry, kitchens, landscape architecture, marine use and other applications.

Offering the highest level of performance and durability, TIMBERLINE is low maintenance and worry-free. Designed with sustainability in mind, it offers unmatched versatility in exploring design possibilities, and even the flexibility to be heated and shaped for custom projects.
